

## *AAC Bailey HRS Wheat*

- ◆ Well suited to the Central Alberta growing conditions. Early maturing and good lodging resistance. Stands better than *Stettler*.
- ◆ High yield potential, similar to *Harvest*.
- ◆ *AAC Bailey HRS Wheat* is a top yielding variety that can handle the solid, balanced nutrition package required to produce high yielding, high quality wheat.
- ◆ Parkland Fertilizers Agrolgy is very confident in *AAC Bailey* and its ability to meet customers' expectations on yield and quality.
